Your Bright Future: Municipal Development Plan, 2010-2020 (MDP) is the City's primary statutory plan. The proposed residential redistricting is consistent with the policies of the MDP and Figure 8 Future Land Use that identify the subject site for residential land use.

West Area Structure Plan

The amendment area is within the West Area Structure Plan (Bylaw C-818-12), and the proposed redistricting is consistent with its policies and Land Use Concept that identify it for "Low to Medium Density Residential" land use. A stormwater management facility is located adjacent to the north boundary of the subject area, and the two Public Utility lots will provide pedestrian connectivity to this area and to future developments to the south.

Land Use Bylaw

The subject land is currently districted UR - Urban Reserve District, and redistricting of the land is required for subdivision and development to occur. The proposed R1 - Mixed Low to Medium Density Residential District accommodates a range of low to medium density uses, and will support the development of Semi-Detached Dwellings and public utility lot intended in the subject area.
