MEETING DATE: May 23, 2023

TITLE: C-1230-22 Land Use Bylaw Amendment - Redistricting -
Tonewood Stage 11 - Public Hearing and Second Reading

DIVISION: Planning & Infrastructure

SUMMARY:

Bylaw C-1230-22, a Land Use Bylaw amendment redistricting approximately 8.3 ha of land within Lot 5, Block 1, Plan 172 3540 from UR - Urban Reserve District to R1 - Mixed Low to Medium Density Residential District, PS - Public Service Institutional District, and P1 - Parks and Recreation District, is being brought forward for consideration by Council. The proposed redistricting is consistent with the East Pioneer Area Structure Plan and will enable development of Tonewood Stage 11 and the dedication of a future school site in the Tonewood neighbourhood.

A Public Hearing is required to hear from anyone who may be affected by Bylaw C-1230-22. Upon closing of the Public Hearing, Council may consider giving second reading to the bylaw.

If approved, the proposed bylaw will allow Administration to approve subdivisions and consider development permits for developments in Tonewood Stage 11.

PROPOSED MOTION:

THAT second reading be given to C-1230-22 - Land Use Bylaw Amendment - Tonewood Stage 11.

BACKGROUND / ANALYSIS:

The proposed bylaw will redistrict approximately 8.3 ha of Lot 5, Block 1, Plan 172 3540 in the Tonewood neighbourhood. This subject area is currently districted UR - Urban Reserve. A 1.8 ha area is proposed to be redistricted from UR - Urban Reserve District to R1 - Mixed Low to Medium Density Residential District, 5.4 ha of land from UR - Urban Reserve to PS - Public Service Institutional District, and 1.1 ha of land from UR - Urban Reserve to P1 - Parks and Recreation District. The proposed redistricting will enable the subdivision and development of approximately 34 single detached residential lots, one public utility lot for a stormwater management facility, and one municipal reserve parcel for a future school / park site.

Municipal Development Plan

Your Bright Future: Municipal Development Plan, 2010-2020 (MDP) is the City's primary statutory plan. The proposed residential and open space redistricting is consistent with the policies of the MDP and Figure 8 Future Land Use that identify the subject area for residential land use.

East Pioneer Area Structure Plan

The amendment area is within the East Pioneer Area Structure Plan (Bylaw C-843-13) and the proposed redistricting is in general compliance with the policies and Land Use Concept that identify the area for "Low to Medium Density Residential", "Stormwater Management Facility", and "Park / Open Space."

A large 5.4 ha park area is being redistricted to provide land for a future school site. The park conforms to the Area Structure Plan's description for a future Type "D" park site, described as "One school park site has been located in the northwest portion of the plan area. This park is approximately 5.5 ha in area and can accommodate a school building and associated passive and active recreation areas."

Land Use Bylaw

The subject land is currently districted UR - Urban Reserve. The redistricting of the land is required for subdivision and development to occur. The proposed R1 - Mixed Low to Medium Density Residential district accommodates a range of low to medium density dwellings, while the proposed P1 - Parks and Recreation District area is intended to provide for a stormwater management facility, and the proposed PS - Public Service Institutional for a school site.

Development Agreement

As per Corporate Policy 7,005, a completed and signed development agreement is required prior to consideration of third reading. The Bylaw will be brought forward for consideration of third reading once a development agreement has been completed.

OPTIONS / ALTERNATIVES:

Bylaw C-1230-22 is being presented at a Public Hearing. Should Council feel they need further information to make a decision, they may choose to adjourn the public hearing for continuance at a later date. If Council chooses this option, second reading of this bylaw will be re-scheduled.

This bylaw is also being brought forward for consideration of second reading. Upon closing of the Public Hearing and based on information provided at the Public Hearing, discussion, and consideration of changes to the bylaw may be made. Alternatively, Council may defeat the motion for second reading and choose to defeat the bylaw.

CONSULTATION / ENGAGEMENT:

Advertising of the Public Hearing was placed in the Spruce Grove Examiner on May 5 and May 12, 2023, per the requirements of the *Municipal Government Act*. Additionally, notice was mailed directly to landowners within 30m of the subject lands. The notice was also published on the City's website.
