

## REQUEST FOR DECISION

**MEETING DATE:** May 9, 2022

**TITLE:** Public Delegation – North Saskatchewan Watershed Alliance

**DIVISION:** Planning & Infrastructure

---

### SUMMARY:

Leah Kongsrude, Executive Director from the North Saskatchewan Watershed Alliance, is presenting to municipal councils to introduce themselves, their work, and some regional watershed issues they are looking to address.

---

### PROPOSED MOTION:

A motion is not required.

### BACKGROUND / ANALYSIS:

The North Saskatchewan Watershed Alliance (NSWA) is a Watershed Planning and Advisory Council in Alberta, charged with guiding watershed planning for the North Saskatchewan River watershed in Alberta. The Sturgeon River Watershed Alliance (SRWA) is a municipally-led regional group that focuses on watershed issues within the Sturgeon sub-watershed. This group is facilitated by the NSWA.

Today, the NSWA will be providing a short introduction to who they are and what they do, and provide an update to Council on the work of the SRWA and some of the regional watershed issues they are looking to address through the implementation of the Sturgeon River Watershed Management Plan.
