

NOTICE OF MOTION

DATE: September 27, 2021

TITLE: Community Banner Initiative

SUBMITTED BY: Councillor Rothe

Notice of motion:

That funding of up to \$12,000 be allocated from 2021 council contingency to purchase banner hardware for a community banner initiative.

Notice of motion process:

In order to bring a proposal before Council, a notice of motion must be given. This is to provide Councillors with advance notice so that they are not called upon to consider a matter unexpectedly.

A notice of motion must be given during a council meeting, and a written copy of the notice must be provided to the City Manager. (s.108, Bylaw C-724-09)

Once notice of a motion is given at a council meeting, the motion as read into the record will automatically appear on the agenda at the next regular Council meeting unless otherwise stated. (s.109, Bylaw C-724-09)

Once the motion is made at the council meeting, it can be debated and voted on. A 'notice of motion' is not debatable, only a motion.
